

The free Visual Health Check form and what it all means

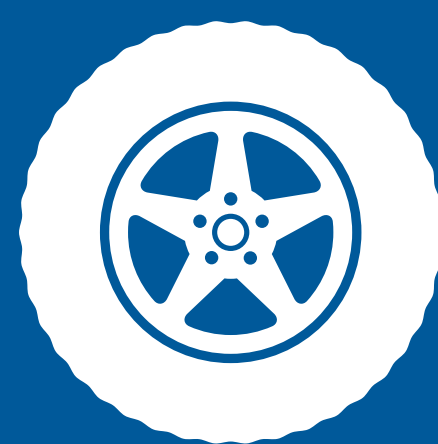

The Traffic Light System

The Visual Health Check form details the results of the free 29-point check we carry out whenever your car comes in for a service or repair.

For ease of understanding, we colour code the results:

- RED** Requires urgent attention
- AMBER** Requires attention
- GREEN** Satisfactory condition

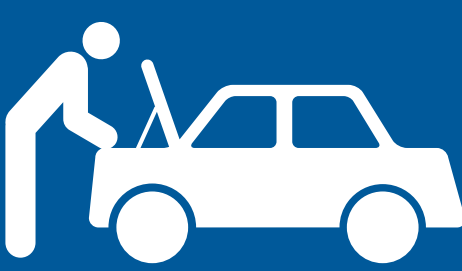

Wheels & Tyres

Ensures your wheels and tyres are efficient, safe and meet legal requirements.

External / Electrical

Detects any problems on the interior and exterior of your vehicle.

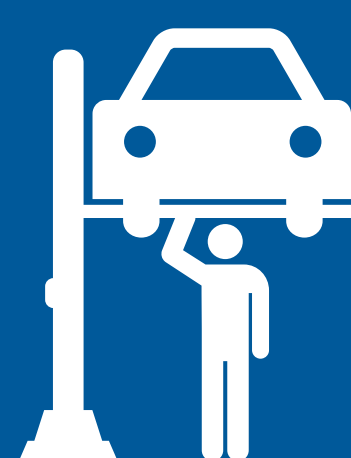

Underbonnet

Measures the condition of everything under the bonnet, including oil and fluid levels.

Brakes & Hubs

Ensures your brakes are working safely and efficiently.

Underside

Locates any potential problems with your vehicle's steering, exhaust or driveshaft.
